

Serving the High Street Butcher for over 100 Years

## You're In Safe Hands With Weddel Swift

**We are proud to supply a wide range of British and imported bacon products to suit every requirements both in quality and price.**

Our new range of traditional Wiltshire cured and dry cured whole back or sliced bacon products are of superior quality, available as British farm assured or produced using the best European pork available. This is likely to be the finest bacon you've ever tasted! Alternatively, for an everyday, value for money product that's consistently good, then our Farmers Gate brand is the one for you. Streaky, select and prime rib bacon is available either smoked or plain. Whatever it is you're looking for, our salesmen will be happy to talk through the product that best suits your needs.
